

PUNJAB & MAHARASHTRA CO-OPERATIVE BANK LIMITED

## NOTICE

Dear Customers,

As you may be aware from media reports, there was a major outbreak of fire at Dreams Mall on 26.03.2021. Since then the mall is shut down by the Civic Authorities till further orders. Fortunately our office has been saved of any major damage, as per quick first assessments. Our technology platform is also intact and functioning.

Due to the operational restrictions in the mall, the various departments of Corporate Office have been forced to temporarily function from different Branches of the Bank. However we are trying our best to keep up the more important functions.

We are also making our utmost efforts to obtain permission from the concerned authorities to recommence operations from our Corporate Office in Dreams Mall at the earliest.

In the meantime you may approach your base branch or any other convenient branch for your needs. You may also write to [helpdesk@pmcbank.com](mailto:helpdesk@pmcbank.com). for any query.

We regret the inconvenience caused to you and assure that we are endeavouring our best to restore normal operations from our Corporate office as before.

By Order

Chief Executive Officer
